CHECK MODERATION PLAN

This plan identifies the unit/achievement standards that the National/Check Moderator will check moderate during the calendar year.

Do not send a moderation report to the provider/school for any material that is selected for check moderation before check moderation has been completed. Make any required amendments to the moderation report before sending the report and the materials back to the TEO/school.

The National/Check Moderator completes the check moderation report and returns it with the assessment materials, in a timely fashion, so that the Moderator has time to meet their report due date.

Moderation System/Subject:

Moderator Name:

Check Moderation Selection						
TEO/School	Unit/Achievement Standard No. to be moderated	Level	Report due to TEO/school	Expected date of submission to Check/National Moderator	Date received by Check/National Moderator	Date returned by Check/National moderator

National/Check Moderator signature:

Date:
